

You might be better satisfied

Perhaps your tire experience has been satisfactory—or passably so. We hope it has been. But it may be that tires made as only United States Tires are made—by co-operative skill—would prove even more satisfactory. Possibly far more satisfactory.

The possibility is certainly worth considering—especially when thousands of motorists who are today using

United States Tires

exclusively, formerly thought they were "pretty well satisfied" with other tires.

In buying one or two of these tires as a "trial," you are in reality giving four organizations, working as a unit, an opportunity to show you why tires made as only United States Tires are made are entitled to sell as only United States Tires sell.

And keep this in mind: The first cost is the same as though you continued to use tires made in the ordinary way. You are not asked to "take a chance"—not even in the matter of price.

HENRY BEDWORTH SOLD FOR \$660

Fast Stepper Brings Good Price at Sale of Southern Stock Yards.

More than 1,200 head of horses, out of a consignment of 1,500, have been disposed of at the Southern Stock Yards Corporation. The sale will continue through today and tomorrow. Among the horses may be found some fast steppers. The biggest price yet obtained for a horse was yesterday when W. J. Burdett's Henry Bedworth, a 1912, was bought by McPeak & Flint, of Pennsylvania, for \$660. Mr. Walton, of Falls Mills, Va., is offering some of his best ones. He has a number of horses wintering at the State Fair Grounds.

Has First Workout.
Asheville, N. C., April 25.—The members of the Asheville baseball club, of the Appalachian League, worked out for the first time on the Riverside diamond this afternoon. Ten players have reported for duty and it is expected that by Saturday all of those who have been signed will be here. The season opens May 12, and Manager Elmer King, of the local club, who has been here for two weeks, expects to put his men through three weeks of hard practice in preparation for the opening game.

PLAY ERRORLESS 12-INNING GAME

Petersburg and Lynchburg in
Brilliant Contest, End-
ing in Tie.

(Special to The Times-Dispatch.)
Petersburg, Va., April 25.—The 800 fans at the ball park this afternoon witnessed a great ball game. For twelve innings the Champs and Hill Climbers battled fiercely, but classy fielding and heady pitching at critical times made it impossible for either side to add to their score. Yates, formerly of the Newark team, was in the box for the Champs, and barring his pitch a great game. Vickers, of Lynchburg, was equally as effective. Petersburg scored the first run in the second inning on singles by Spencer and Laughlin, a sacrifice by Anthony and Carolyn's sacrifice fly to left field.

Lynchburg tied the score in the third on Morris' two-bagger and Baum's single. After this inning both clubs played feature ball and the infield work of both teams was like clockwork. The game itself was a remarkable one, as not an error was made by either team. The score:

	Petersburg	AB	R	H	E	A	E
Simmons, 2b.....	5	0	1	6	4	0	0
Bush, ss.....	5	0	1	5	7	0	0
Barnett, 1b.....	4	0	1	2	0	0	0
Sheeler, rf.....	5	0	1	1	0	0	0
Laughlin, c.....	4	0	2	3	0	0	0
Anthony, cf.....	5	0	0	1	0	0	0
Carolyn, lf.....	5	0	0	1	0	0	0
Howe, 3b.....	5	0	0	0	2	0	0
Yates, p.....	4	0	0	1	1	0	0
Totals.....	39	1	8	25	13	0	0

Wire Tappers
Make Killing

(Special to The Times-Dispatch.)
New York, April 25.—Poolroom wires over the city were tapped today by a gang of experts, who were said to have won many thousands of dollars on the fourth race. They caught the wire and gave out the information that Superstition had won the fourth race at Jamestown and that Kornack was second. They put down their money on Superstition and cashed. When many thousands of dollars were down the correct information that Kornack was first and Superstition was second was permitted to go through. The price on Kornack was 6 to 5 and out, while the price on Superstition was 5 to 1. The "killing" was variously estimated at \$75,000 to \$100,000.

TARS OUTHIT, BUT FAVORED BY LUCK

Truckers Defeated on Home Grounds by Score of 4 to 2.

(Special to The Times-Dispatch.)
Portsmouth, Va., April 24.—Outhit almost two to one the Tars had more than an even break of luck, and defeated the Truckers today by a score of 4 to 2. Every one of Norfolk's hits counted in the run column. Score:

Umpire, Donohue.

AMUSEMENTS

Academy—Dark.
Blou—Playing "The Penalty."

Philharmonic's Fifth Concert.
The admirable organization, the Richmond Philharmonic Association, gave the fifth of its concerts of the season last night at the City Auditorium before literally the largest legitimate audience that has assembled in Richmond this year—not including political "meetings" or other free meetings.

Under the energetic, skillful, and musicianly direction of W. Henry Baker, the orchestra supported or fostered by the association has grown to number forty or more, all of whom, with perhaps three or four exceptions, are amateurs. For several of the absolutely necessary parts, it has been impossible to obtain amateurs, so that professionals have been engaged to play these instruments, but all the rest are amateurs, pure and simple, who play for the love of it, and who range in age from staid business men in their forties and fifties down to young boys in short trousers and young girls with ribbon bows on their untucked hair.

Fully realizing this, it may safely and deliberately be said that the work of this orchestra last night was the short of wonderful, and that the association, Mr. Baker, and his orchestra deserve high praise. Of course, there were ragged spots and, equally of course, the orchestra is not yet thoroughly balanced, owing to the lack of much desired instruments, but it played good music of the lighter character, and played it, for the most part, exceedingly well—much better than we have time and again heard the smaller but purely professional orchestras of our theatre play.

And, best of all, it played such delicate music as Weber's "Tonda d'Amore"—one of Mollshauer's favorite encores—and Mr. Baker's own "Serenade for Strings and Piano," with much more accuracy, certainty, and ease than it exhibited in its medleys of popular airs, while it succeeded in playing accompaniments in a manner that must have delighted the soloists and pre chorus.

Assisting the orchestra last night were Mrs. Walter C. Mercer, soprano, and the High School chorus, augmented by a number of men from the Washington Chorus, under the direction of Mr. Mercer.

On Every Highway— In Every Hamlet— In Every City— The Name of Richmond will be carried by the KLINE CAR

As each new car leaves the Kline factory it adds its quota to the fast-growing record of Richmond industry. Work on the new Kline factory building is progressing, and Richmond will soon be the home of a master designer's car—a car that for style, comfort and genuine all around satisfaction is unsurpassed.

The "Sixes"

The new six cylinder models of the Kline Car are the best in automobile construction. We say this knowing as we do that the Kline will gain by an unbiased comparison. We know that no better material can be obtained than that selected for Kline Cars. We know, by severe tests before it leaves the factory, that the Kline Car will stand the gruelling requirements of hard and daily usage. We guarantee the Car and that is the best evidence of its reliability.

The Life of a Kline Car

The life of a Kline Car in Richmond or the Southern Seaboard will be doubled because of the service which the company will be enabled to render by being situated in Richmond. Southern owners will have their car under the personal observation of the builders, and the inspection and adjustment thereby possible will eliminate extensive repairs.

Buyers are invited to inspect the Kline Cars on hand at the distributors. Quick deliveries can be made of several models.

Evening.....12:59

SOUTH RICHMOND

Married in Washington.
The young people of the High School sang as Mr. Mercer has always succeeded in training them to sing, but the men, probably because of insufficient rehearsal, were more or less "woolly."

It is from this school chorus that the Wednesday Club must, to a large extent, draw its choir singers, while the continued progress of such an educational factor as the Richmond Philharmonic Association will result in incalculable benefit to the cause of music in Richmond, so that last night's concert was more than an entertainment—it was an omen.

W. Douglas Gordon.
